Developing lifelong skills and aspirations to meet the challenges of the future

3rd December 2018

Dear Parents/Carers,

As part of our Design and Technology curriculum the children will be preparing and tasting some of their own food following recipes similar to those used in Ancient Greece, focusing on baking bread and similar products (including some honey recipes).

This activity will include mixing their own recipes and baking them in the Design and Technology room.

Please return the slip below before December 5th to inform us of any allergies or other dietary requirements.

Kind Regards,

Mrs Wallace and Miss Ryan
