Parents' Evening

Please remember to complete your Parents' Evening letters and return your preferred time slot to us by **1st December**.

5L's Parents' Evening will be taking place on the afternoon of 14th December and 16th December. The rest of the school will be taking place on Friday 18th December.

If you cannot make any appointments during the day, please email admin@causewaygre.en.sandwell.sch.uk to request an appointment with the class teacher.

Wear something "christmassy"

On Thursday 17th December, children can come into school wearing something "Christmassy" for a donation of £1. This could include a jumper, earrings, tinsel, badges etc.

Please be careful where you park. We have to walk in the road and we might get hurt

Thank you.
Pupils of Causeway Green

For the safety of your children and our pupils, please DO NOT park, or stop even for a short moment, on the zigzag markings outside school. Any cars stopped or parked in the restricted area can hide small children who are about to cross the road.

The Highway Code states that you should keep these areas clear of stationary vehicles, even if picking up or setting down children. Please find somewhere safe to park and walk to the school gates.

Please also respect our neighbours and not park across private driveways.

Thank you for your cooperation.

PE Footwear

We are holding PE lessons outside as much as possible (weather permitting).

On the day that your child has PE, please could you send them in to school wearing their proper trainers rather than their gym pumps, as they need sturdier footwear.

Masks are a key measure to suppress transmission and save lives. They reduce potential exposure risk from an infected person whether they have symptoms or not. People wearing masks are protected from getting infected. Masks also prevent onward transmission when worn by a person who is infected.

Can you please ensure you wear a face mask at all times whilst on school premises. Thank you.

We would like to remind you of our school drop off and collection times: -

	Drop Off	Collection

Magic Breakfast ensures that no child in school is too hungry to learn by providing healthy breakfast food.

A hungry child cannot concentrate so could miss out on half a day of lessons every school day if not given anything nutritious to eat first thing.

We are pleased to let you know that will continue receiving bagels for our children for another 12 months from January 2021.

“Squiggle While You Wiggle” aims to stimulate early writing. Our nursery children use movement with music to develop their motor skills in preparation for writing.

Children from our “Sunshine Hub” enjoying their music lesson.

This week's question is:

"Should we repurpose unused cruise ships?"

"We think we should because it could help people by turning it into a vet, shop, swimming lesson, hospital, football club"

1L

"Yes, they could be used as hospitals or to give the homeless people somewhere warm to sleep. It is a waste of money if they are not used"

5L

"We think we should repurpose unused cruise ships because they lost a lot of money and it would be wasteful to leave them unused. If left a long time they could rot away"

3R

"In 3L we think cruise ships should repurposed as hospitals, care homes and homeless shelters"

3L

"Cruise ships should be used for people to live and have food & water"

4R

"The majority of people think they should use cruise ships for something else"

Reporting your child's absence

When calling school to report your child's absence, can you please ensure that you go through to the attendance line. You may need to leave a message if the Attendance Office is not available but all messages are picked up every morning.

A lot of absence calls are coming through to the main office. In some situations, they are unaware of certain personal situations so it's imperative that you speak with the Attendance Officer in the first instance. Thank you for your co-operation.

Congratulations to Mrs Tonks who has secured a job at another school. Mrs Tonks has worked at Causeway Green for many years and will be leaving us at the end of term. We wish her all the best and will be sorry to see her go.

Toy appeal

We are supporting the local Salvation Army Christmas Present appeal this year and asking for donations of toys so that no local children go without gifts at Christmas. If any of our parents, would like to donate a toy, there will be a collection box in our reception area for you to drop off your donation. Thank you for your support.

Pupils are more likely to succeed in lessons when they attend school consistently.

Causeway Green promotes healthy eating and encourages eating 5-a-day.

Every week, the Lunchtime Supervisors will choose a child from each Key Stage who they feel have bought in a healthy lunchbox or made a healthy choice.

To get a pen licence, children need to:

- Using a correct pencil grip
- Writing on the line
- Joining letters correctly
- Starting each letter in the correct place
- Keeping letters the same size
- Forming letters with the correct shape
- Leaving appropriate gaps between words
- Ensuring that ascending and descending strokes are the right length
- Writing clearly enough for other people to read their work

Good Luck!
