

## Message from the Head Teacher

A warm welcome back. We hope you had a lovely break and are refreshed ready for 2021!

At the beginning of the week, you should have received information regarding the difficult decision to move to remote learning. This was due to serious concerns about health and safety caused by the new strain of Coronavirus.

**Pupils will be expected to log in and access the same lessons as the pupils who are in school between the hours of 8.45am and 3.30pm.**

We have resent the information to support your child with accessing Google Classroom. If you do not have a device or access to the internet please email us on [contact.us@causewaygreen.sandwell.sch.uk](mailto:contact.us@causewaygreen.sandwell.sch.uk) and we will provide you with a time slot for collection of a device and/or a data only dongle. If you have trouble accessing Google Classroom please email school on the above address with the email heading: 'Google Classroom support' and leave your name and contact details. Someone will then ring you back to provide personal support.

I would like to thank you for all of your kind comments and positive feedback during this unprecedented time!

Thank you so much to year 4 and Reception. We have had a lovely morning and both my boys have enjoyed the lessons and activities set. Thank you for all your hard work it is very much appreciated.

I just wanted to take this opportunity to say a big thank you to all the staff at Causeway Green. I understand how hard it has been for you all this year but especially since returning in September, however you have all done a fantastic job making my children feel safe. You have enabled them to feel safe enough that they continue to learn and grow in the school environment.

This year has been so tough on everyone but I wanted to say a big thank you to you all. Its thanks to each and every member of your staff that my child has been able to return to school and feel that little bit of normality again.

My daughter is engaging so far and loves being online chatting with teacher for support. Well done to all those involved in bringing this platform to existence.
