We will be re-sending out the information to support your child with accessing Google Classroom. If you do not have a device or access to the internet please email us on [contact.us@causewaygreen.sandwell.sch.uk](mailto:contact.us@causewaygreen.sandwell.sch.uk) and we will provide you with a time slot for collection of a device and/or a data only dongle. If you have trouble accessing Google Classroom please email school on the above address with the email heading: 'Google Classroom support' and leave your name and contact details. Someone will then ring you back to provide personal support.

If your child is eligible for free school meals and you wish to order a packed lunch for collection from school please also send an email to the above email address or telephone school. If you have any problems with access to food for your family we can also support you with food parcels.
