Developing lifelong skills and aspirations to meet the challenges of the future

11th September 2020

Dear Parents/ Guardians

I hope your children have enjoyed their first full week back at school. It has been wonderful to hear their lively chatter and to see them so obviously pleased to be back with us.

I thought it would be helpful to let you know what our procedures would be in the case of the Public Health England Protection Team advising the school to send a particular bubble home with immediate effect for the safety and wellbeing of all, as has been the case this week elsewhere.

In this event, we will be contacting you by Parent Mail.

We will be asking you to collect your child from school as soon as possible.

It would be likely that your child would be instructed to self-isolate at home for 14 days and we would be returning to a programme of online learning for the bubble. We are currently finalising our remote learning plans. A separate communication will be sent home outlining our remote provision during this period.

Should you need to get in contact with the school out of hours to report a positive COVID test please use the email address contact.us@causewaygreen.sandwell.sch.uk and please use the subject 'Positive Covid Test' in the email header.

With very best wishes,

Miss J. Shingler
