IMPORTANT INFORMATION REGARDING COVID-19 SYMPTOMS

Your child has been sent home from school today because they have exhibited one or more symptom of COVID-19.

The main symptoms of coronavirus are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms.

You must now:

1. Get a test to check if they have coronavirus as soon as possible.
2. Stay at home and do not have visitors until you get your test result – only leave your home to have a test.

Anyone you live with, and anyone in your support bubble, must also stay at home until you get your result.

Get a test online on GOV.UK.

Start now on the GOV.UK website

Call 119 to get a test if you have problems using the internet.
